Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Thank you, Dr. Gibbs

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Thank you, Dr. Gibbs

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or

It was great speaking with you just now! Per our conversation, we are all set for PSY 110 for Fall 2023. We will need to discuss what we can offer for you for Spring 2024 in lieu of PSY 110. We are also set with providing HUM 120 for dual credit.

Thank you for your patience!

We will need to get syllabus and course information for any course that would be affected by SB150. If a student signs up for dual credit that has SB 150 topics, we must have written permission or they will have to take another class.

On the SB 150 info you sent yesterday, who will create the permission slip form? You all? Our district?

**The district is responsible for creating, distributing, collecting, and keeping records of the SB 150 permission slips. The district will communicate confirmation that a permission slip has been collected with BCTC Dual Credit Office.**

Had a meeting about this today. I will hopefully have some forms soon. My understanding from Mark is they're already created. If you don't mind reach out to Stephanie Wade that might also help. I will be at certified evaluation training tomorrow and I'm not in the office Thursday and Friday. Stephanie should be able to help with this and get us going I. The right direction.
